

..... BREAK THROUGH TECHNOLOGY!

GT7000ES PROFESSIONAL POWER GENERATOR

with electric start

The large 25L fuel tank and industrial quality of the GT7000ES will keep you in power all day. This single phase 230V machine includes all the GT Power features like industrial air cleaner & muffler system, superior quality copper wound alternator & automatic voltage regulator (AVR) and low engine oil alert with automatic engine shutdown. Combine these benefits with the premium build quality of GT Power and you have a machine that provides sterling service for a lifetime!

Featuring an inbuilt RCD and twin 15A outlets, this machine is ready to tackle the toughest task including powering a welding machine up to 150A!

Single Phase - 230V

7000W

Capable of running multiple powertools, lights and industrial equipment, the GT7000ES is ideal for running the bach, farm shed or emergency back-up power.
